CPHS AP Capstone Program

Preparation for college and beyond

AP Capstone™ is a College Board program that develops essential skills for success in college and beyond. Through independent research, teamwork, and effective communication, students become curious, independent thinkers, and collaborative problem solvers, prepared to make logical, evidence-based decisions—skills highly valued by college and employers.

Travisso Zoned Schools

TRAVISO

Travisso is a place for learning to flourish, and that doesn't end when you leave the community. Travisso is located within the Leander Independent School District, which is known for its outstanding schools and has earned multiple recognized honors for its academic excellence. Currently, Travisso students attend **Mason Elementary School**, **Running Brushy Middle School**, and **Cedar Park High School**. These schools are located nearby and buses are provided. If your family is looking for a private school option, Sterling Classical School is a great option. Additionally, the school district has purchased land on Travisso Parkway for a future elementary school as the community grows. Austin Community College is also nearby for those looking to further their education as adults.
