CC Mason was established in 1994 as an International Baccalaureate (IB) World School

What is International Baccalaureate (IB) and the Primary Years Programme?

The International Baccalaureate® (IB) offers a continuum of international education. The programmes encourage both personal and academic achievement challenging students to excel in their studies and in their personal development. In order to teach IB programmes, schools must be authorized. Those schools authorized to offer IB programmes are known as an IB World School.

The IB Primary Years Programme is designed for students ages 3 to 12 and prepares them to become active, caring, lifelong learners that demonstrate respect for themselves and others. Additionally, the program teaches students to participate in the world around them and focuses on the development of the whole child.

A few words from Principal Abby Kendall

“We at CC Mason IB World School collaborate to build a community of learners where ALL students are challenged to be knowledgeable, caring, and principled. Our mission is to produce globally-minded citizens who serve and lead our future. It is with great gratitude and pride that I get to serve our students, teachers, and community.”

Moving into the neighborhood?

Learn all about CC Mason with a personal tour from Principal Abby Kennell. Call 512.570.5500 or email abby.kennell@leanderisd.org to schedule an appointment.

Getting Involved (PTO)

Supporting the students of CC Mason

Mason PTO organizes out-of-school educational experiences with the goal of limiting the out of pocket expense for families. Utilizing funds raised through PTO dues and fundraisers, we organize several themed nights for the entire family while providing students with an educational experience outside of the classroom - like Field Trips, Literacy Week, Science Night, Watch D.O.G.S, classroom enrichment supplies, school family dance, and Raz Kids and Scholastic Weekly subscriptions.

For more information go to www.ccmasonpto.com

Fifth Grade Exhibition

A student learning experience like no other

Every year fifth grade students are required to showcase what they have learned beyond basic concepts during the IB Fifth Grade Exhibition. During the exhibition, students identify a community or global need then take action to solve a problem beyond the basic concepts.

Previous CC Mason projects have included donating hair to Locks of Love, organizing and coordinating fund raisers for a local food pantry, and participating in state-wide campaigns such as Austin’s No Kid Hungry, Foster Angels of Central Texas, and Toys for Tots.

TRAVISSO

Travisso is a place for learning to flourish, and that doesn't end when you leave the community. Travisso is located within the Leander Independent School District, which is known for its outstanding schools and has earned multiple recognized honors for its academic excellence. Currently, Travisso students attend **Mason Elementary School**, **Running Brushy Middle School**, and **Cedar Park High School**. These schools are located nearby and buses are provided. If your family is looking for a private school option, Sterling Classical School is a great option. Additionally, the school district has purchased land on Travisso Parkway for a future elementary school as the community grows. Austin Community College is also nearby for those looking to further their education as adults.
